Ms. Poletti

# Hi! I'm Ms. Poletti!

I am thrilled that your child will be in my class next year. We are going to learn so many new and exciting things together. This will be my 17th year of teaching 3rd grade at West Fallowfield Christian School so I think you can infer that I love third graders. I think it is the best grade ever! We get to learn about the solar system, multiplication, cursive, and lots more!

I am very passionate about teaching all subjects but reading is my favorite so I look forward to hearing about the books you read over the summer.

I also think it's very important to work together as a classroom family. We will be spending a lot of time together so it is important to treat each other with respect, kindness, and compassion. I know that each of you have a different brain, which means you think and learn differently. It is my job as your teacher to help you grow as a learner and as a person of good character.

*Want to know a little about me?* When I'm not grading papers or planning lessons, you can usually find me hiking/backpacking in the woods somewhere. I also enjoy days at the beach, riding my bike, and going to Phillies games! I love being outside and enjoy the world God created for us!

Even though I have seen many of you at recess, I can't wait to officially meet you and your family in August! Enjoy your summer!

**A few of my favorites:**

**COLOR:** blue and green

**SEASON :** summer

**FOOD:** Pizza

**DRINK:** Mountain Dew Zero and coffee

**SONG:** anything by Lauren Daigle

**SPORT:** Baseball - Go Phillies
